## RESULT REPORTING

1. VCHD Laboratory maintains reports for all water testing done at our laboratory.
2. VCHD Laboratory monitors all testing compliance and failures for public recreational water facilities operating in Vanderburgh County.
3. Any public recreational water facility in Vanderburgh County that performs their testing at a lab other than VCHD must have their report submitted to VCHD Lab by 2pm every Friday\* that they are open to the public. It is the facility's responsibility to submit reports tested outside of VCHD laboratory by 2pm on Friday\* otherwise a "No Show" failure will be documented.
4. All reports submitted to or tested at VCHD are subject to public record by request.

\*Notification of holiday schedules that affect VCHD Laboratory hours and report deadlines will be made public through the VCHD Facebook Page, handouts at VCHD and email 1 week prior to the holiday.

## FAILURES

1. What Constitutes a Failure?
  - The presence of Coliform bacteria
  - The presence of E.Coli bacteria
  - A heterotrophic plate count of >200/1.0ml colonies
  - Bathing Beach samples with E. Coli quantitation >235
  - Failure to submit a weekly sample or sample report “No Show Failure”
2. **Failures that will be called by VCHD** include:
  - The presence of Coliform bacteria
  - The presence of E.Coli bacteria
  - A heterotrophic plate count of >200/1.0ml colonies
  - Bathing Beach samples with E. Coli quantitation >235
3. **VCHD does not call “No Show Failures”** to any facility.
  - It is each facility’s sole responsibility to manage their submissions if they do not test at VCHD Laboratory.
  - VCHD will email all of its test reports to the email listed on the most current Client Information Sheet by 2pm each Friday.\*

\*Notification of holiday schedules that affect VCHD Laboratory hours and report deadlines will be made public through the VCHD Facebook Page, handouts at VCHD and email 1 week prior to the holiday.
